KIT COMPONENTS

mProof green screen proof

The mProof is a unique product that combines our leading Green Screen Replacement technology with your selection of backgrounds. It is a great way to give parents more than they expect: they can see what the end result will be, maximizing your buy rate.

Features

- » Fully customized background and pose layouts
- » Choose backgrounds from our catalog or provide your own
- » One pose, two different poses or two poses from a single image
- » Child name, school name, homeroom and grade can be printed on proof
- » Each school can have a choice of different backgrounds
- » Effective management of order entry using our QuickOrder system
- » Printed on photo paper

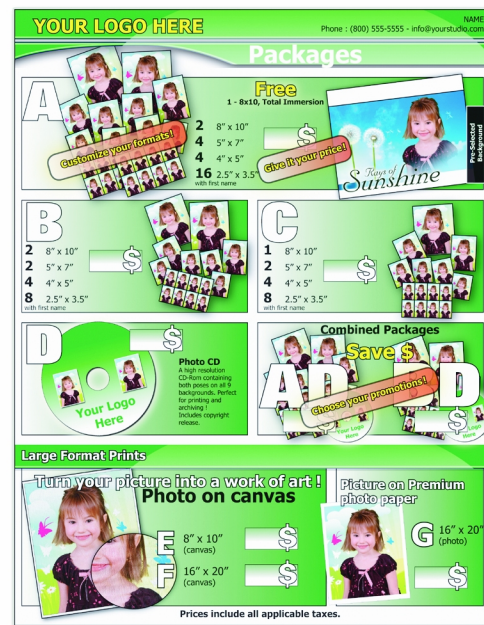

KIT COMPONENTS

Sales Sheet

36Pix provides you with a ready-made sales tool that can be fully customized by our designers in order to reflect your portfolio diversity. With our sales sheet, photographers will have the opportunity to present their products in an appealing manner without having to spend time and money.

Features

- » Attractive layout for easy choices
- » Package details and prices are customized to your needs
- » For ultimate convenience you can order all your products from 36Pix
- » No layout or setup charges
- » Expand your offering with our novelty products: puzzles, trader cards, bookmarks, CDs, etc.

Sales Envelope

Using this envelope, your clients will have the possibility to choose from various green screen backgrounds, numerous packages and quantities.

Features

- » Sales envelope is customized with your name and logo
- » Flexibility of choices for you and your customers
- » Clear, easy selection of packages and backgrounds
- » Credit card option on envelope
